CZ + VZ = #1

Dearest Charlie, when it comes to gift ideas, you are very unpredictable. They can be as rough as a card saying "you need to upgrade your shxx!" accompanied by a new GPS on my pillow, or as sweet as playing half "Clair de Lune" and then declaring "that's it! That's all I've learned so far." My reaction is, however, always predictable - I go on an instant ecstasy and act like a snowman melting under the summer sun collapsing over you in slow motion. You always melt my heart. You can melt anyone's heart.

Ten years ago today, you gave me a tiny garden pot. On it, you hand painted a heart and wiggled words "CZ + VZ = #1". When I asked you why we were #1, with all the pride, you announced, "'Cause -- you are the #1 mom and we are the #1 team!"

Ten years later, I made a slight change: CZ + VZ = #1. Charlie, how do I tell you you've taught me to be a mom and a better person? How do I tell you we're the #1 team forever?

Your Effort and Impacts

With profound gratitude to all of our compassionate and generous Zhangogh Foundation partners, today, we made the 4th round of donations to:

- Mount Sinai Hospital Department of Neurology of \$10,000 to support 2016 Pediatric Headache Fellowship Program, the only physician training program in New York and one of the few in the country that offers training in the diagnosis and management of headache disorders in children and adolescents.
- Millburn High School of \$1,500 to sponsor a workshop with an artist for Advanced Studio Art Program. The past two workshops we sponsored were a huge success.

As a special thank-you note to friends at Morgan Stanley who held summerlong casual Friday fundraisers and participated in MS Annual Appeal Program the past two years, the donations are made in honor of MS Credit Risk Department.

On this Mother's Day, your gifts mean so much to many mothers when they need help most for many years to come. On behalf of all mothers benefiting from your generosity, we thank you all!
